Commissioner for Patents

In re Application of: NELSON, "COMPOSITIONS AND METHODS FOR THE TREATMENT...TARDIVE DYSKINESIAS"
Application No.: 10/616,692
Filed: 09 July 2003
Attorney Docket No.: 47-00B

NOTICE OF NON-RESPONSIVE AMENDMENT

Applicant's response filed 01 September 2006 and the Supplemental Response filed 09 January 2007 have each been received and entered into the present application. Consideration of the documents contained therein as Exhibits (A)-(N) has been performed herein by the Examiner. However, it is noted on the record that the documents upon which Applicant relies as Exhibits (B), (D), (H), (I), (J) and (K) are sufficiently unclear to preclude a full and complete consideration of the information contained therein.

Accordingly, Applicant is requested to provide full, clear and legible copies of each of Exhibits (B), (D), (H), (I), (J) and (K) for consideration by the Examiner of record. Since the above-mentioned responses appear to be bona fide attempts to reply, Applicant is given a TIME PERIOD of ONE (1) MONTH or THIRTY (30) DAYS, whichever is longer, from the mailing date of this notice within which to supply the omission or correction, in order to avoid abandonment. Extensions of this time period under 37 C.F.R. 1.136(a) are available.

Inquiry concerning this communication or earlier communications from the Examiner should be directed to Leslie A. Royds, whose telephone number is (571)-272-6096. The Examiner can normally be reached Monday through Friday, 9:00 AM to 5:30 PM. If attempts to reach the Examiner are unsuccessful, the Examiner's supervisor, Ardin H. Marschel, can be reached on (571)-272-0718. The fax phone number for the organization where this application or proceeding is assigned is (571)-273-8300.
